Marta Pastor

Solutions Architect, Technical Pre-Sales | AdTech, Programmatic and Retail Media | AI Tools and Automation

Barcelona, Spain (open to in-person, hybrid or remote EMEA) | martapastorhernandez@gmail.com | linkedin.com/in/martaph

SUMMARY

Solutions Architect with 9+ years in AdTech and digital media across agency, retail media, customer success and, since 2024, technical pre-sales. At Microsoft I own technical pre-sales and solution design for EMEA enterprise advertisers, agencies and partners, working with Sales from discovery to go-live and helping bring new offerings to market through pilots and seller enablement.

- Cut campaign setup from ~72 to ~3 minutes with a planning tool co-designed with Product and Engineering.
- Cut booking SLAs by ~40% in pilot with an MCP-based AI agent; Ops Excellence Award, Microsoft Hackathon 2025.
- Contributed to seven-figure incremental revenue in two quarters in Customer Success.
- Second hire on the founding team that built MediaMarkt Iberia's retail media business from €0 to €15M (3x YoY).

EXPERIENCE

Microsoft, Barcelona

Feb 2024 - Present

Customer Solution Architect, Technical Pre-Sales

Nov 2024 - Present

PRE-SALES AND SOLUTION DESIGN

- Own technical pre-sales and solution design for EMEA enterprise accounts, working with Sales on discovery, deal design, adoption and forecasting.
- Design private marketplace (PMP), programmatic guaranteed (PG) and curated deal packages for agency briefs and own technical troubleshooting through go-live.
- Translate customer needs into prioritised requirements for Product and Engineering.

GO-TO-MARKET

- CTV/OLV brand pilot: contributed to the pilot sales motion and pricing approach with Sales and Product, and delivered package-level proposals in the planning tool.
- Curated deals and marketplace: helped operationalise curated-deal workflows across EMEA markets; wrote the CTV curated-deals runbook, a cross-seat replication schema and a marketplace guide for Customer Success.
- Enablement: trained sellers and Customer Success teams on deal setup, targeting and forecast validation; supported agency partner training in Spain.

AI AND AUTOMATION

- Co-designed the Media Planner tool with Product and Engineering (requirements, APIs, data model), cutting campaign setup from ~72 to ~3 minutes; supported its rollout to new EMEA markets.
- Built an MCP-based AI agent that automates deal activation and workflow checks, cutting booking SLAs by ~40% in pilot; Ops Excellence Award, Microsoft Hackathon 2025.

Customer Success Account Manager

Feb 2024 - Nov 2024

- Contributed to seven-figure incremental revenue in two quarters across an EMEA enterprise portfolio through strategic business reviews with account teams.
- Advised customers on APIs, integrations and platform capabilities to drive adoption and expansion; moved into technical pre-sales after nine months.

MediaMarkt Iberia, Barcelona

Sep 2020 - Jan 2024

Retail Media Solutions Lead

- Second hire on the founding team that built the retail media business line from €0 to €15M (3x YoY) across 80+ brands; owned proposition, pricing and go-to-market.
- Led execution across commercial, digital and store teams to launch and scale the offer.
- Managed strategic partnerships with Google, Criteo and Meta; launched Spain's first live-shopping activation with Google and Samsung.

vitalera (digital health start-up), Barcelona Apr 2018 - Jan 2024

Product Manager (Advisor, part-time, alongside full-time roles)

- Led product positioning and EMEA go-to-market with the founding team; launched at Mobile World Congress 4YFN 2019. Product reached a 4.9/5 rating and 96% patient satisfaction.

Krrts, McCann Worldgroup, Evidenze, Barcelona 2017 - 2020

Account Executive

- Managed client accounts, briefs and campaign delivery for digital and integrated campaigns.
